

**GOVERNMENT OF INDIA
HIGH COMMISSION OF INDIA, NAIROBI**

Name of the Work:

1. Supply, installation and commissioning of 27 Nos. of CCTV Cameras at India House, 151, Limuru Road, Muthaiga, Nairobi.
2. Supply, installation and commissioning of 27 Nos. of CCTV Cameras at High Commission of India Residential Complex, Wangapala Road, Parklands. Nairobi.

**PERIOD OF COMPLETION: 15 days
LAST DATE FOR BID SUBMISSION 27 July, 2021**

Government of India
High Commission of India,
Nairobi.

HIGH COMMISSION OF INDIA, NAIROBI

INVITATION TO TENDER

The High Commission of India, Nairobi on behalf of the President of India, invites Tender from reputed companies in the field of security gadgets for Supply, installation and commissioning of CCTV cameras at the following 02 locations.

1. **27 Nos of CCTV Cameras (as per Annexure-1) at India House, 151, Limuru Road Muthaiga, Nairobi.**
2. **Supply, installation and commissioning 27 Nos (25 Bullet & 02 dome) of CCTV Cameras (as per Annexure-2) at High Commission of India Residential Complex, Wangapala Road, Parklands (High Ridge Complex).**

The Bid shall be submitted in a large sealed envelope duly mentioning "Supply, installation and commissioning of CCTV Cameras of at India House and High Ridge Complex" containing Technical and and Financial Bid in two separate envelopes. All three envelopes should bear company's seal. **Technical** bids should indicate brief profile of the company indicating its experience in the field of procuring and supplying of security gadgets to diplomatic Missions and United Nation offices and official enterprises, in Nairobi. Technical bids should also undertake that company shall be able to meet/ provide the enclosed "specification" and the quantity mentioned in enclosed proforma **without mentioning the cost**. Bidders need to go through tender document carefully and must incorporate point wise response to the specification asked for. Product details shall also be indicated in technical bids. In case any company does not meet the criteria, it shall be rejected at technical evaluation stage. Its financial bid will not be opened and returned back. The financial bids would be opened in respect of those bidders, whose technical bids have been found meeting given specification. The financial bids should contain the financial quote and to be submitted in separate sealed cover as mentioned above. The financial bids should clearly mention the unit price, Rate (unit price x Quantity), Annual Maintenance Contract (AMC) charges for three years, any other expenditure, VAT and the total cost in Kenyan shilling and USD.

Annual Maintenance Contract : - The bidder shall also provide three years **Annual Maintenance contract cost beyond warranty period**. However, the same will be executed at discretion of the High Commission. The AMC cost will also be taken into consideration for evaluating the tender. Draft AMC with terms and conditions maybe provided.

Signing of Non-Disclosure agreement:- Company selected for supply and installation of CCTV system will have to sign a Non-Disclosure agreement prior to commissioning of the system.

Training :- Upon successful installation and commissioning of the CCTV system, it shall be incumbent on the company to impart training to the officials who would operate the system. The welfare officer of the High Commission (Phone No. 0715412190) may be contacted for further queries on site surveys.

Address for submitting the bid- Head of Chancery, High Commission of India, 02nd Floor, Jeevan Bharati Building, Harambee Avenue, P.O. Box 30074-00100, Nairobi. Tel: (+254 20) 2222 566/ 2225104. **The last date for submission of bid is 27 July, 2021**

upto 1500 hrs. Any Bid received after this date and time will not be considered and will not be opened.

Eligibility Criteria: The Tenderer should have valid permit / registration from a competent local authority for supply and installation of such security equipment to the residences/ Chancery of any Diplomatic Mission. Bidder should indicate brief profile of the company and explain their technical, professional and practical experience of having supplied and installed similar devices to public/private organizations including Diplomatic/ International organizations in Nairobi. Companies who have supplies and installed CCTV cameras in other diplomatic Missions or UN office may please be specified in detail.

Evaluation of tender- The Tenderer shall examine the scope of work and other Documents and all Addenda (if any) before submitting his Tender and shall become fully aware of the extent, quality, type and character of operations involved in the supply. The Tenderer shall visit and acquaint himself with the Site of the installation. The tenderer shall take entire responsibility in the interpretation of this report and of the site conditions. No consideration or compensation will be given for any alleged misunderstanding of the nature of the work to be executed.

Tender and Schedule of Quantities- (i) Schedule of Quantities on prescribed proforma should be enclosed by Bidders. Bidders are requested to identify and quote the rates of individual items. Items required for completion of the supply work may be added in the Schedule of Quantities with full nomenclature of the item. Bidders shall satisfy themselves of the quantities quoted in the Schedule of Quantities. These quantities shall be taken as guidance to assess the approximate quantum of work involved in the project. The Contractor prior to the submission of the tender, may add to items, quantities to the items in Schedule of Quantities as per the scope of the work, and site visit. It shall be the responsibility of the bidder to satisfy himself of the completeness of the documents for the scope of work and his own assessment of the supply work after site visit and as per the tentative scope of work mentioned in tender document. No extra cost shall be entertained and payable if any additional information or detail is provided later for carrying out the works as specified in the tender documents. The supply and installation shall be completed within Fifteen (15) days from the date of issue of Purchase Order. Liquidated damages shall be levied on supplier for delay in supply and installation if it is ascertained that supplier is responsible for delay. The rate of liquidated damages shall be calculated @ 0.5% of contract amount per week limited to maximum 10% of contract amount. The tenderer shall guarantee among other things, the following: - Quality, strength and performance of the equipment.

Defect Liability Period:- Defects Liability period will be 12 months from the commissioning of the system. Retention Money: 5% of contract amount for 12 months i.e., till the Defect Liability Period is over. No charges shall be paid for any repair/ replacement during this period.

Conditional Acceptance of the Tender- The acceptance of the Tender shall be conditional and not finally binding upon the Employer. The Employer may withdraw the acceptance of the Tender without any notice or other formality and may enter into a new Agreement for the execution of the Works or any part of it. Any further information or clarification which the Tenderer may require in order to complete his Tender may be obtained from:- Mr. Manoj Kumar, AP&WO, (High Commission of India, Jeevan Bharati Building, Harambee Avenue, P.O. Box 30074-00100, Nairobi. Tel: (+254 20) 2222 566 / 2225 104, Mobile no.+254 715412190/ Email Id: apwo.nairobi@mea.gov.in,

Disqualification of Tender- Tender may be disqualified for any reason including, but not limited to the following:- a) If tenderer sets forth any conditions which are unacceptable to the Employer. b) If any tender is submitted under a name other than the name of the individual firm, partnership or corporation that was issued the Tender Document. c) If there is evidence of collusion between Bidders. d) If Tenderer sets forth any offer to conditionally discount, reduce or modify its tender. e) If Bid price is disclosed before opening of Financial Bid.

Laws and Regulations and Pricing of Schedule of Quantities:- The attention of Bidders is drawn as to comply with laws and regulations concerning safety and health, labour regulations, social insurance, labour taxes, tax deduction, import restrictions duties and levies, company's tax, input tax and output tax (VAT) etc. All rates and sum inserted against items of work and in form of Tender shall be exclusive of Value Added Tax. All payments (Excluding retention money) shall be released after successfully completion of entire supply and installation.

Form of Tender (Financial Bids Documents. To be submitted by the bidder):- To, High Commissioner, High Commission of India, Nairobi We have examined tender conditions for the above work and have inspected the site and general conditions under which the work is to be carried out. We offer to execute and complete the work and remedy any defects therein, in conformity with this Tender. If this offer is accepted, we will commence the Work as soon as is practicable and complete the Works in accordance with the tender documents within the time for completion. We understand that you are not bound to accept the lowest or any tender you may receive.
