

High Commission of India Nairobi

Press release

Government Delegation to host 'Study in Gujarat' Roadshow in Kenya on 13th February, 2020

- *Delegation led by Hon'ble Minister of State for Education Smt. Vibhavariben Dave to host a roadshow on 13th February, 2020 for schools and colleges in Nairobi*
- *Registrations ongoing on Study in Gujarat website*

In order to promote Gujarat as an Education Hub of India, a delegation led by Hon'ble Minister of State for Education Smt. Vibhavariben Dave along with Principal Secretary of Higher and Technical Education Smt. Anju Sharma will host a roadshow in Nairobi on 13th February, 2020 at 10:00 am in Hotel Crowne Plaza, Kenya Road, Upper Hill, Nairobi under the 'Study in Gujarat' campaign.

2. The roadshow will provide a glimpse of the thriving education sector in Gujarat and enable the interested candidates to get a first-hand understanding of the rich resources of the state in order to pursue higher education.
3. The representatives of partner universities will also put up an exhibition in order to educate the youth about various courses in their institutes in addition to providing details of various scholarships for students. The exhibition will be open to all free of cost from 10:00 am to 5:00 pm.
4. Apart from that, the delegation will visit schools and universities and also meet representatives from the government to appraise them about the education sector in Gujarat and seek possible areas of collaboration.
5. 34 delegates from 15 top most universities from Gujarat will be a part of the roadshow to provide more details to the interested candidates. The universities include Pandit Deendayal Petroleum University, Gujarat Forensic Science University, Marwadi University, GTU, Parul University and many others. The lead university for the roadshow in Nairobi is Gujarat University.
6. In the last decade and a half, Gujarat has been successful in establishing its identity as the leading educational hub of India. State of the art infrastructure, safe environment, curriculum at par with international standards and industry exposure gives students an edge during the course of their study.
7. Students can also connect to the Social Media handles of the Study in Gujarat campaign to learn more about the courses and universities.
