

**High Commission of India  
Nairobi**

**ITME Africa & Middle East 2023, from 30th Nov – 2nd Dec 2023 at KICC, Nairobi, Kenya**

The High Commission of India, Nairobi is pleased to inform that India ITME Society is organizing the 2<sup>nd</sup> edition ITME Africa & Middle East 2023, from 30<sup>th</sup> Nov – 2<sup>nd</sup> Dec 2023 at Kenyatta International Convention Centre, Nairobi, Kenya. This unique and exclusive business event with the theme “**Prosperity through Textile Technology & Engineering**” is a gateway to emerging Textile Industry of African continent & Middle East.

India, today is the 2<sup>nd</sup> largest Textile industry globally and has a strong base in Textile engineering having indigenous companies as well as multinationals manufacturing in India. Thus India is well-positioned as a partner to improve the production and export capacities of emerging Textile Industry of Africa & Middle East. With the growing importance of South-South cooperation, India’s expertise can be leveraged to build textile industry in Africa through the sharing of knowledge and technology.

ITME Africa & M.E. 2023 is a catalyst striving to transform the textile industry of Africa & Middle East in the coming decades by opening up unlimited opportunities for business, sourcing, collaboration and investment in the **Textiles, Textile Engineering, Ancillary & Allied Industry**.

Along with promoting trade, investment, creating business friendly environment and vibrant private sector this exhibition focuses on working in partnership with the government, business community and other stakeholders. This event shall strengthen its position as a pioneer in modernization of its textile industry and position itself as a pivot for Textile technology upgradation for Africa & M.E focusing on new chapters such as:

- Cotton Seed & Cotton Farming Technology & Equipment,
- Machinery related to Engineering Products,
- Home Textile Products
- Associated Goods and Services for Textile Industry
- Technical Information Services, Educational Research Institutes & COE’s.

High Commission of India Nairobi invites companies to visit in the ITME Africa & Middle East 2023 and take advantage of the available business opportunities.
